

Forsite Consultants Ltd., an innovative forest and land management company with 11 locations throughout Western Canada, has an immediate opening at our **Campbell River** office for a Senior Forest Technician.

If you are a forest professional and live in or have a desire to relocate to Campbell River, then you will find this position attractive.

As a **Senior Forest Technician** you will be responsible for providing technical and supervisory expertise to project teams in all aspects (field and office) of multiphase timber development.

POSITION OVERVIEW:

Under the direction of a Forestry Supervisor, the Senior Forest Technician is responsible for implementing operational plans and all aspects of forest development, including road/cutblock layout, timber cruising and completing the associated plans and appraisal packages in a safe, timely, cost effective and professional manner. This position generally encompasses both field and office duties.

REQUIREMENTS:

- Post-secondary education with a diploma or degree in forestry.
- Broad understanding of and experience in general forestry practices and operational forest planning.
- Have a working knowledge of LiDAR and associated applications.
- Minimum of 1 year of multiphase timber development experience in coastal British Columbia.
- Registered with, or eligible to be registered with, the Association of British Columbia Forest Professionals.
- Valid driver's license with a clean abstract.

In addition, all candidates should demonstrate the following:

- Enthusiasm and a passion for both forestry and working outdoors.
- A professional, friendly and courteous manner, being service & team oriented.
- Ability to work independently under limited direct supervision.
- Proficiency in supervising technical assistants.
- Experience working outdoors in all weather conditions.

HIGHLIGHTS:

- Full-time hourly position with overtime paid after 8 hours.
- Industry competitive remuneration package.
- Comprehensive benefits package with pension option.
- Dynamic, positive, team-orientated work environment.

- Excellent career growth opportunities.

Only candidates selected for interviews will be contacted.
